Aaron Niequist

Gm7                      F/A  
Can we just admit together we're not fine?  
Bb2                      F  
Cause I'm not fine, and you're not fine.

Can we just admit together we're afraid?  
Cause I'm afraid, and you're afraid.

Can we just admit together we have doubts?  
Cause I have doubts; do you have doubts?

Can we just admit together we're not free?  
Cause I'm not free, and I want to be.  
Gm                      F/A      Bb      Csus   C  
If you're not free, then sing with me

Bb      Dm      C/E      Bb  
Emmanuel God with us today  
F/A      Gm              Csus  
We desperately cling to Your name  
Bb      Dm      C/E              Bb  
Emmanuel As near as our need  
F/A      Gm              Csus  
As close as the air that we breathe  
Bb      Gm  
Emmanuel

Can we just admit together have failed?  
Cause I have failed, and you have failed?

Can we just admit that our hands aren't clean?  
And our hearts aren't clean, and they'll never be?  
Until we're freed, and mercy sings.

C/E      F      Bb      Am

How long  
Will we fight to say alone?  
How long?
